NATIONAL ENZYME COMPANY NAMES SHOREY ACCOUNT EXECUTIVE

Forsyth, MO-- National Enzyme Company introduces Mark Shorey as Account Executive for the Retail Natural Health market channel. Mr. Shorey brings a fresh perspective to National Enzyme Company and the natural products industry. His personal interest in health and nutrition combined with his leadership background are sure to be a fine match while assisting customers and prospects within his market channel.

“When a career change became inevitable, I wanted to join a well established, progressive company in the dietary supplement industry. Joining National Enzyme Company was an easy choice. Not only do they have a 70 plus year reputation of excellence, NEC specializes in producing enzyme based dietary supplements for many leading companies. With enzymes being the foundation of nutrition, I feel very favored to be the newest member of the NEC sales team,” stated Shorey.

Mr. Shorey is a graduate of Trinity College, Ellendale, ND and held the recent title of President & CEO Tri-Lakes Center, LLC Theater and Event Center in Branson, MO. He is eager to learn the fine points of the natural products industry while building strong relationships which he hopes will lead to product line extensions.

“I am delighted to have Mark as a part of the NEC sales department. He brings great enthusiasm to the department and the natural products industry. His infectious ‘can do’ attitude will be a great asset to his customer base and NEC,” stated Harold Fox, Director of Sales.

Since 1932, National Enzyme Company has been the leader in nutritional enzyme technology. From research and development to marketing support, NEC provides manufacturers and distributors worldwide with comprehensive dietary supplement services while adhering to strict NSF and TGA certified GMPs.
